PROFILE SUMMARY

I'm a self-motivated junior front-end web developer with full enthusiasm for web development. Mainly, I develop websites using one of the JavaScript libraries, React. I'm also studying a full-stack development course so that I could enhance my knowledge fully in the web development field. Currently, I'm looking for full-time front-end developer roles to apply my knowledge in a practical environment where I could cultivate my skills to gain more experience for better career advancement.
